EXPERIENCE

Lead Data Engineer - AI Competency Centre

Intesa Sanpaolo S.p.A.

Jun 2017 - Ongoing Turin, IT

I'm working for the Information System Head Office in the Data Technology Office, where I deal with:

- Architectural Design of Artificial Intelligence applications;
- Advisory on Artificial Intelligence technologies for IT structures;
- Research and Prototyping of new Artificial Intelligence solutions.

Co-president

Bear Entertainment

Mar 2012 - Ongoing Turin, IT

I founded BE in 2012 and since that day I'm holding the position of co-president. Mainly I manage the financial and bureaucratic part of the company: I plan business and marketing strategies with the board and I take care of accounting, asset management and staff administration.

Intern - Data Management Systems

Intesa Sanpaolo S.p.A.

Mar 2017 - May 2017 Turin, IT

I worked for the Information System Head Office alongside a team that manages the development of applications related to the "Big Financial Data" project.

Trading Universiads

Directa Sim

Oct 2014 - Apr 2015 Turin, IT

Seven months trading competition between university teams from all around Europe with real money sponsored by Directa Sim. We mainly worked on FTSEMIB stocks, exchange-traded funds and options on european indexes and exchange-traded commodities. My team earned +7,02% and qualified in position 31th/150.
